

# BRIAN FORSYTHE

CHIEF FINANCIAL  
OFFICER

 @brian-forsythel

## BIOGRAPHY

Brian is an accomplished executive with more than 30 years of broad experience in manufacturing, distribution and business services. He has successfully led numerous businesses through organic growth and acquisition phases to yield significant progress.

His vast experience serving in C-level roles allows him the unique perspective and ability to create sustainable change management. He works closely with management teams to identify actionable and quantifiable goals to support progress.

Brian's foundational experience with ERP design, implementation and process improvement set the course for a career rooted in information and processing systems. This lens affords management teams a granular approach to develop a path to success.
