

BEAU MUSSEY

CHIEF FINANCIAL
OFFICER

 beau-musser/

BIOGRAPHY

Beau Musser is an accomplished financial professional bringing over 25 years of financial expertise, including 18 years in C-suite roles. For nearly two decades, Beau Musser has been providing financial and operational leadership to small and medium sized businesses, primarily in the construction and manufacturing industries.

Prior to Crown CFO, Beau spearheaded the financial turnaround of a health care and professional services company and drove transparency and process improvement to various governmental agencies. Beau is known for his ability to implement and integrate the proper information systems for companies looking to substantially increase their revenue growth.
