

DAVE PETET

CHIEF FINANCIAL
OFFICER

 @dave-petet/

BIOGRAPHY

With over 35 years in accounting and financial leadership, Dave has established himself as a dynamic executive who drives operational excellence across organizations ranging from small businesses to Fortune 500 companies. His deep expertise spans Finance, Accounting, IT, Human Resources, Risk Management, Legal, Tax, and beyond – making him comfortable on a production floor or in a board room.

Dave's career includes impactful leadership roles as Controller, Divisional Controller, VP of Finance, and CFO across a broad range of industries. His significant accomplishments include leading MRP/ERP system conversions and integrations, scaling finance functions across organizations of varying size and complexity and partnering with senior leadership to deliver strategic financial guidance that supports long-term business growth. Dave's outstanding contributions in finance have earned him the Kansas City Business Journal CFO of the Year award.
